We opened the letter, and our acton- the other, but nothing definite is known. ishment may be imagined as we perused the following lines from the new of Jes

BROWNWOOD, THE HARDEST TOWN IN Editor Clipper-Herald:

Your reporter and George Shepherd have the most brilliant imaginations in America. They ought to past in double harmon on the boss hypothecators. They can lie with thore appearance of truth than any two men in Missouri. Mark Twain's boss liar, walked most all the way to Fort Scott and reached the spot where he said the tree was, found only a sage break, and expects some of them here Monday. He plained by saying that the tree had skrunk during the dry spell, was nothing to them.

way. I thot his nephew because I had to, and he knows it. Besides George is not a coward, and would never have shot me in the first offense, the same thing having occurred twice before. The Squire sentenced two had not charge me with every train robbery and outrage that is committed in Missouri or the West. I had no more to do with the Glendale robbery than you. The bungling manner in which the robbers allowed the "dust" to slip through their hands show this. I would have known what train the hallies from the hall it was not the same than the first prior the sum of \$600.

The horse of Luil became unmanageable expenses of Miss from the loss of the name of the was conveyed to Miss of the name that the first point the sum of \$600.

When the new was conveyed to Miss of the name of Luil became unmanageable expenses. Of this amount, the sum of \$600.

When the new most converted of Miss of the output the name of Luil In corporated an train the bullies was to be forwarded an from Kames City, and would have stopped that train and no other, you but your life.

But the very thought of the old says and life of the wild and rackless part, and but for my wife and key would again take to the road. As it is, however, I am playing a square game and have estelled down on a range game and have estelled for the main and continuent of the main and the beautiful part of the propose in the statement of the first pistol shot, and although he there is to the bridge and throw it into fave the was pursued a considerable distance by Jim Tounger, managed to make his escape, and arrived askely in Occoola, where the first pistol shot, and although he was pursued a considerable distance by Jim Tounger, managed to make his escape, and arrived askely in Occoola, where the first pistol shot, and although he was pursued a considerable distance by Jim Tounger, managed to make his escape, and arrived askely in Occoola, where the first pistol shot, and the old a remarkable interest was a state of the first pistol shot, and the first p train the bullion was to be forwarded on form Kansas City, and would have stopped that train and no other, you but your life. on the night of 13th inst., arrived in Segood citisen and good up in a new life with this great State of Taxes.
